FOR IMMEDIATE RELEASE

Everpoint Services Inc. acquires Little Pringle 1 & 2 Wind Farms

Houston, Texas 2/9/2022 –Everpoint Services (“Everpoint”) acquired Little Pringle 1 & 2 wind farms from Hutchinson County, Texas.

The sale includes all infrastructure associated with Little Pringle 1 & 2, the 20MW interconnection agreement, and the O&M office building.

About Everpoint Services: Everpoint is a privately held, Serviced Disabled Veteran Owned Small Business, located in Houston, TX, servicing renewable energy assets in Lower 48. The Company was formed in 2020 in partnership with Fieldstone Equity Partners, a merchant bank supporting the lower middle market, located in Houston, TX. Everpoint provides decommissioning services to wind, sensor enabled vegetation management services to solar, and QAQC to energy storage assets. Everpoint employs sensor and blockchain-based digital supply chain solutions designed by Media Sourcing, a workflow and security automation company. Prior to Everpoint, the management team worked in a variety of leadership roles within energy and commercial landscape industries.
